

HARUN FAROCKI RESIDENCY: OPEN CALL / 2026

For the fourth year in a row, **KULTUR ENSEMBLE PALERMO**, the French-German Cultural Institute curated by the Goethe-Institut Palermo and the Institut français Palermo, is offering a three-month residency for audiovisual practitioners and researchers based in Sicily.

From this year onward, the Berlin component of the program will be expanded and hosted for the first time by **Arsenal Filminstitut**, in close cooperation with the **Harun Farocki Institut**, which was previously the only Berlin partner. Arsenal Filminstitut is dedicated to preserving, researching, and presenting film history and contemporary cinema. In September 2026, Arsenal Filminstitut will host the fourth edition of the festival/symposium [Archival Assembly](#). The theme is “Insurgent Archive”. A contribution from the grant recipient in the form of an artistic, academic, or research project is strongly encouraged; this may also take the form of a work-in-progress presentation.
